HELPFUL HINTS

SAVE MONEY

Order early on [FreemanOnline](#) to take advantage of advance order discount rates, place your order by March 24, 2023.

AVOID DELAY

Ship early to avoid delays. Shipments arriving late at show site will cost you money, time and business!

SAFETY TIPS

Use a ladder, not a chair. Standing on chairs, tables and other rental furniture is unsafe and can cause injury to you or to others. These objects are not designed to support your standing weight.

Be aware of your surroundings. You are in an active work area with changing conditions during move-in and move-out. Pay attention. Look for obstacles, machinery and equipment that are in use.

Keep your eyes open for scooters and forklifts. The drivers of these vehicles may not be able to see you.

Stay clear of dock areas, trucks and trailers. These areas can be particularly dangerous.

Prevent electrical shocks, falling items and damage to materials. Do not attach items or equipment to the drapes or metal framework provided for your meeting space. This can cause serious injury or damage to materials.

We discourage children from being in the meeting space during installation and dismantle. If children are present during installation and dismantle, they must be supervised by an adult at all times.

Freeman does not ship or handle Hazardous Materials. If any materials you are shipping to the event fall into this category, please contact Freeman to be sure the material will be allowed at the facility and by the association. In addition, if authorized by the facility and the association, you will need to make separate arrangements for the transport and handling of the approved materials, since Freeman will not transport or handle them.

The operation or use of all motorized lifts and motorized material handling equipment for installation/dismantle is NOT permitted by Member Companies or by their appointed contractors (EACs). Thank you for your cooperation.

Call Freeman Support at (888) 508-5054 with any questions or needs you may have.

1. Strategic Exchange Space

Business appointments take place in outdoor and indoor spaces including Umbrellas, Bungalows, Corporate Village Spaces, Gulfstream Rooms, Mediterranean Ballroom Spaces, South Mezzanine Rooms and Hotel Suites.

- A. **Umbrella Spaces** include a sun umbrella, round table, company sign, cooler with ice, and five chairs. Umbrella holders may not set up displays and/or equipment. 2. Strategic Exchange Space Payment

3. Strategic Exchange Space Cancellation

Should a Member Company be unable to occupy and use the contracted space, they should notify NACDS in writing on or before **February 3, 2023**. All meeting space fees paid, less a 25% fee per space for administrative cost, will be refunded if NACDS receives written notification of cancellation by **February 3, 2023**. Once a space has been assigned by NACDS, no company will be moved unless NACDS deems it necessary. An assigned space is for the exclusive use of the individual company and may not be shared with an unrelated company. NACDS reserves the right to withdraw the assigned space from any company that violates this section, or any other rule or regulation contained herein.

SECTION II - STRATEGIC EXCHANGE SPACE (Continued):

5. General Service Contractor

To assist in on-site logistics, NACDS has appointed Freeman as the official General Service Contractor. Freeman will provide logistical and handling services including dollies, pallet jacks, forklifts, crate storage and transportation. Handling and storage fees will be assessed based on the weight of the shipment(s) received and Freeman will bill the responsible Member Company accordingly. The Freeman Service Kit will be made available on the Annual Meeting website at annual.nacds.org.

6. Strategic Exchange and Function Space Set-up Personnel and Outside Third Parties

- Must be fully registered for the conference unless otherwise approved by NACDS.
- Must wear an NACDS provided Name Badge and may not share badges.
- Must maintain their appearance and conduct themselves in accordance with the high standards of the meeting.
- Are subject to all 2023 NACDS Annual Meeting Rules and Regulations.

7. Strategic Exchange Set-up and Dismantle

No space will be available for set-up prior to date and time specified in your confirmation letter. All areas outside of meeting space must be kept clean and clear during set-up and dismantle. No boxes, crates, pallets, or trash, etc. can be left outside of meeting space. **Move-out may not begin and outbound shipments may not be scheduled before 4:30 p.m. on Tuesday, April 25, 2023.**

8. Shipping

NACDS is not responsible for the tracking or delivery of materials and assumes no liability or responsibility in the proper handling of shipments. Materials shipped in advance of the conference must be sent as follows:

- **Small Shipments:** Defined as boxes or packages that may be hand carried by one person without the use of a dolly, hand truck, or similar device. Small packages may be sent directly to the hotel, where the responsible Member Company individual will collect and deliver to their meeting space. Packages must be clearly labeled with the conference name, the participating company's name, and the name of the individual who will retrieve the materials.

NOTE: The Breakers will NOT accept any "small packages" prior to Monday, April 17, 2023.

- **Large Shipments:** Includes all crated, skidded, pad-wrapped, and uncrated shipments. Large shipments must be shipped to Freeman's attention and the responsible Member Company will be charged material handling fees at the published rates. Freeman will deliver large shipments to the assigned meeting space. All large shipment crates must be unpacked by 5:00 p.m. on **Friday, April 21, 2023**, and all empty crates will be removed from the hotel premises thereafter.

NOTE: Large Shipments will NOT be delivered by Freeman to The Breakers prior to Friday, April 21, 2023.

SECTION III – GENERAL

1. Protection of the Facility

Nothing shall be posted, tacked, nailed, screwed, or otherwise attached to columns, walls, floors, or other parts of the hotel without permission of NACDS and the proper building authority.

2. Security

NACDS does not assume responsibility for any theft. NACDS strongly suggests that all items of value be secured and insured.

3. Default Occupancy

Any company failing to occupy contracted space is not relieved of the obligation to pay for such space at the full purchase price.

4. Conflicting Meeting and Social Events

In the interest of the success of the entire conference, attendees agree not to extend invitations, call meetings, or otherwise encourage absence of members or other attendees from the hotel during official NACDS activities, events, and programming.

5. Cancellation or Relocation of Conference

In the event of cancellation or relocation of any conference, due to circumstances within NACDS' direct control, the liability of NACDS shall be limited to a refund of fees paid to NACDS. In the event NACDS has no control over the cancellation or relocation of any conference or convention, NACDS shall have no liability of any kind.

6. NACDS' Right to Remove the Company's Property

NACDS reserves the right to remove from the conference or hotel any or all property of a company, should the conference be canceled or relocated, or should the company violate any of the conditions of this agreement. This right may be exercised without prior notice and without hearing.

7. Violations of the Conditions

Any of the following actions by an attendee shall constitute violation of the conditions of this agreement:

- Failure to follow the procedures prescribed in these Rules & Regulations.
- Failure to remove company's property from the hotel upon cancellation or relocation of the conference or convention.

8. Liability

- NACDS undertakes no duty to exercise care, nor does it assume any responsibility for the protection and safety of the Member Company, his officials, agents or employees; or for the protection of the property of the Member Company or his representatives, or of property used in connection with the conference, from theft or damage or destruction by fire, accident, or other cause. Small and easily portable articles shall be properly secured or removed after strategic exchange appointment hours and placed in safekeeping by the Member Company. Any protection exercised by NACDS shall be deemed purely gratuitous on its part and shall in no way be construed to make it liable for any loss or inconvenience suffered by the Member Company.

SECTION III – GENERAL (Continued)

8. Liability (Continued)

- The Member Company agrees to indemnify and hold NACDS and its agents harmless from all such claims and from all claims or liability of any nature whatsoever arising from the activities of the Member Company or any of its representatives or from the property or materials of the Member Company.
- NACDS shall not be liable for any failure to deliver space to a Member Company or from the loss of allotted space of a Member Company, who has contracted for meeting space under the terms of this agreement, if non-delivery is due to any of the following causes: destruction of or damage to the building or the meeting area by fire or act of God; acts of a public enemy; strikes; the authority of the law; or any cause beyond its control. NACDS will, however, in the event it is not able to hold a conference for any of the above-named causes, reimburse Member Company's pro-rata on any rental fee paid, less any and all legitimate expenses incurred by NACDS for advertising, administration, and similar and related cost.

9. Remedies

In the event the Member Company violates any of the conditions of this agreement, NACDS reserves an absolute right to invoke either or both of the following remedies, which shall be in addition to, and not in lieu of, any other rights or remedies granted under this agreement or available under general contract law:

- NACDS may order the Member Company to remove his materials and personnel or have them removed at the Member Company's expense. In these circumstances, no part of the Member Company's fees will be returned.
- NACDS may refuse thereafter to enter into any agreement with the same or related Signatory/Member Company to lease space at future conferences or conventions sponsored by NACDS.
- Member forfeits all payments made to NACDS.

Interested in going green and saving money?

Follow these tips to make sure your sustainable booth strategies are cost-neutral or even cost-saving! Leave an impact on the show floor, not the environment.

1 BEFORE THE SHOW booth structure

Option 1 Multiple Use

Use **Forest Sustainable Certified (FSC)** wood to build your booth and crates.

Get creative! Design your booth with a **small shipping footprint** to minimize carbon emissions. Freeman's eye-catching stretch-fabric booth designs pack up small (and light!) for shipping.

Option 2 One-time Use

Rent locally from nearby Freeman offices to reduce both shipping costs and carbon emissions.

2 carpet

Option 1 Rent

Rent rather than buy carpet to save on shipping, cleaning, and storage. Freeman Classic carpet can be reused at least four times.

Option 2 Color

Use darker-colored carpet, which is easier to reuse and recycle. Freeman Classic dark-colored carpets are made of 20-50 percent recycled content.

3 shipping

Online + before deadline = better bottom line. Take advantage of early-bird pricing and consolidate shipping when ordering supplies.

Choose reusable shipping padding. Avoid packing peanuts and foam plastic materials that never decompose.

Ship early. Use the 30-day policy to ship materials to the Freeman advance warehouse.

4 graphics

Option 1 Multiple Use

Print on a durable substrate **without dates, event names, or locations.**

Option 2 One-time Use

Print on 100 percent recyclable materials like Freeman Honeycomb and Smartbuild Eco, which are just as cost-effective as PVC.

5 printing

Reduce printing and **go digital** with your booth literature.

Print locally. Supporting local businesses while reducing shipping? It's a win-win.

Print on at least **50 percent post-consumer recycled paper.**

6

ON SITE

save energy

Use Energy Star-rated equipment for audio-visual equipment and monitors.

Power down. Turn off equipment at the end of each day.

Light up your booth with CFLs, LEDs, or other energy-efficient lighting.

MOVE OUT

train your team

Educate your installation and dismantling teams about **recycling and donation processes**.

8

shipping out

Pack in, pack out.

Leave no traces on show site.

Join a caravan.

If you're shipping directly to another show, ask **Freeman Transportation** about **joining a caravan** to your next show.

- To check on your freight arrival, call Exhibitor Services at the location listed on the Quick Facts.
- To ensure timely arrival of your materials at show site, freight should arrive by the deadline date listed on the Quick Facts. Your freight will still be received after the deadline date, but additional charges will be incurred.
- The warehouse will receive shipments Monday through Friday, except holidays. Refer to the Quick Facts for warehouse hours. No appointment is necessary.
- The warehouse will accept crates, cartons, skids, trunks/cases and carpets/pads. Loose or pad-wrapped material must be sent directly to show site.
- All shipments must have a bill of lading or delivery slip indicating the number of pieces, type of merchandise and weight.
- Shipments received without receipts or freight bills, such as Federal Express and UPS, will be delivered to the booth without guarantee of piece count or condition.
- Certified weight tickets must accompany all shipments.
- Warehouse freight will be delivered to the booth prior to exhibitor set up.

HOW DO I SHIP TO SHOW SITE?

- Freight will be accepted only during exhibitor move-in. Please refer to the Quick Facts for the specific exhibitor move-in dates and times.
- All shipments must have a bill of lading or delivery slip indicating the number of pieces, type of merchandise and weight.
- Shipments received without receipts or freight bills, such as Federal Express and UPS, will be delivered to the booth without guarantee of piece count or condition.
- Certified weight tickets must accompany all shipments.

WHAT ABOUT PREPAID OR COLLECT SHIPPING CHARGES?

- Collect shipments will be returned to the delivery carrier.
- To ensure that your freight does not arrive collect, mark your bill of lading “prepaid.”
- “Prepaid” designates that the transportation charges will be paid by the exhibitor or a third party.

HOW SHOULD I LABEL MY FREIGHT?

- The label should contain the exhibiting company name, the booth number and the name of the event.
- The specific shipping address for either the warehouse or show site is located on the Quick Facts.

HOW DO I ESTIMATE MY MATERIAL HANDLING CHARGES?

- Charges will be based on the weight of your shipment. Each shipment received is billed individually. All shipments are subject to reweigh.
- On the Material Handling Form, locate the rate that applies to your shipment and multiply that rate by the weight of your shipment in pounds.
- The above services, whether used completely or in part, are offered as a package and the charges will be based on the total inbound weight of the shipment.

WHAT HAPPENS TO MY EMPTY CONTAINERS DURING THE SHOW?

- Pick up “Empty Labels” at the Freeman Service Center. Once the container is completely empty, place a label on each container individually. Labeled empty containers will be picked up periodically and stored in non-accessible storage during the event.
- At the close of the show, the empty containers will be returned to the booth in random order. Depending on the size of the show, this process may take several hours.

HOW DO I PROTECT MY MATERIALS AFTER THEY ARE DELIVERED TO THE SHOW OR BEFORE THEY ARE PICKED UP AFTER THE SHOW?

- Consistent with trade show industry practices, there may be a lapse of time between the delivery of your shipment(s) to your booth and your arrival. The same is true for the outbound phase of the show — the time between your departure and the actual pick-up of your materials. During these times, your materials will be left unattended. We recommend that you arrange for a representative to stay with your materials or that you hire security services to safeguard your materials.

HOW DO I SHIP MY MATERIALS AFTER THE CLOSE OF THE SHOW?

- Each shipment must have a completed Material Handling Agreement in order to ship materials from the show. All pieces must be labeled individually.
- To save time, complete and submit the Outbound Shipping Form in advance, or you may contact the Freeman Service Center at show site for your shipping documents.
- Once we receive your outbound shipping information we will create your Material Handling Agreement and shipping labels. If the shipping information is provided in advance, the Material Handling Agreement will be delivered to your booth with your invoice. Otherwise the Material Handling Agreement and labels will be available for pick up at the Freeman Service Center.
- After materials are packed, labeled and ready to be shipped, the completed Material Handling Agreement must be turned in at the Freeman Service Center.
- Call your designated carrier with pick-up information. Please refer to the Quick Facts for specific dates, times, and address for pick up. In the event your selected carrier fails to show by the final move-out day, your shipment will be rerouted on Freeman's carrier choice at the exhibitor's expense.
- For your convenience, approved show carriers will be on site to book outbound transportation if you have not made arrangements in advance.

WHERE DO I GET A FORKLIFT?

- Forklift orders to install or dismantle your booth after materials are delivered may be ordered in advance or at show site. We recommend that you order in advance to avoid additional charges at show site. Refer to the Rigging Order Form for available equipment.
- Advance and show site orders for equipment and labor will be dispatched once a company representative signs the labor order at the Freeman Service Center.
- Start time is guaranteed only when equipment is requested for the start of the working day.

DO I NEED INSURANCE?

- Be sure your materials are insured from the time they leave your firm until they are returned after the show. It is suggested that exhibitors arrange all-risk coverage. This can be done by riders to your existing policies.
- All materials handled by Freeman are subject to the Terms and Conditions, which can be found in the exhibit service manual or online at www.freeman.com.

Union Jurisdictions for Miami, Florida

To assist you in planning for your participation in this upcoming exposition, we are certain you will appreciate knowing in advance that union labor may be required for certain aspects of your exhibit handling. To help you understand the jurisdiction the various unions have, we ask that you read the following:

EXHIBIT INSTALLATION AND DISMANTLING

Currently we have an agreement with the Local 1175 Union to provide labor for display erection and dismantling. Full time employees of the exhibiting companies, however, may set their own exhibits without assistance from this local. Any labor services that may be required beyond what your regular full time employees can provide, may be rendered by the Union. Labor can be ordered in advance by returning the Display Labor form, or at showsite, at the service desk.

MATERIAL HANDLING

Exhibitors may hand-carry their own materials into the exhibit facility. The use or rental of dollies, flat trucks and other mechanical equipment, however, is not permitted. FREEMAN will control access to the loading docks in order to provide for a safe and orderly move-in/out. Only full time employees of the exhibiting company will be allowed to hand-carry items. Unloading or reloading at the dock of any and all contracted carriers will be handled by FREEMAN.

TIPPING

FREEMAN requests that exhibitors do not tip our employees. They are paid at an excellent wage scale denoting a professional status, and we feel that tipping is not necessary. This applies to all employees. Any request for such should be brought to the attention of a Freeman representative at the service desk or correspondence may be directed to the attention of the General Manager at the local office address.

SAFETY

Standing on chairs, tables, or other rental furniture is prohibited. This furniture is not engineered to support your standing weight. FREEMAN cannot be responsible for injuries or falls caused by the improper use of this furniture. If assistance is required in assembling your booth, please order labor on the Display Labor order form and the necessary ladders and tools will be provided.
